

PE and Sports Premium Spending Plan

September 2023 – August 2024

Context

At St Thomas CE Academy we recognise the contribution that PE and sport makes to the health and well-being of children. We believe that a broad and balanced PE curriculum, a range of extra-curricular activities and access to competitive sport can have a positive influence on the concentration, achievement and attitude of our children.

The government has provided the school funding calculated on the number on roll. This funding enables us to enhance our current wide range of activities and deliver a balanced and challenging curriculum. The funding is ring fenced and therefore can only be spent on the provision of PE, sport and exercise.

2023-24 Funding allocation	£17,800
2023-24 Predicted spending	£18,900

2023-24 Plan

Key Indicator 1 – The en children undertake at le	Percentage of allocation used: 15%

Intent	Implementation		Impact		
School focus with clarity on intended impact	Actions to achieve	Funding allocated	Evidence and impact	Sustainability and suggested next steps	
After school clubs support the 30 minutes of daily exercise. Broad range of traditional and nontraditional sports are available after school throughout the year.	Set up an after-school club each day that has a sporting link. Resources to ensure that this is sustainable. Encourage less active children to attend at least one club a week. Sports Week linked to less traditional sports. Regular activities linked to exercise that take place as part of the everyday curriculum.	£4000	Expected outcome: The percentage of children attending after school club is steadily rising over the year. Expected outcome: Sport continues to be a high priority and enjoyed by all.	After school clubs continue to be well attended. A cycle of sport is embedded.	
	place as part of the everyday carriediann	Total - £4,000			

Key Indicator 5 — Increas	Percentage of allocation used: 3%			
Intent	Implementation		Impact	
School focus with clarity on intended impact	Actions to achieve	Funding allocated	Evidence and impact	Sustainability and suggested next steps
Children to represent the school at least once during the school year.	Join the Ladywood Sports Consortium. Actively seek opportunities for competition with other schools.		Expected outcome: The percentage of children representing the school at sport is rising.	The range of competitive sports is wide, open to all and accessible to all at some point in the yearly cycle.
Register of talented sports children.	PE led to develop links with sporting clubs etc. to signpost children who are talented or wish to play a sport outside of school.		Expected outcome: Register and signposting opportunities and successes are kept and celebrated.	
Additional swimming lessons for those in UKS2 that are unable to swim 25 metres.	Extra lessons funded for identified children in Years 5 and 6.	£500	Expected outcome: The percentage of children that can swim 25 metres by the end of Year 6 is steadily rising.	Continuation of swimming lessons.
Celebration of sport.	In assemblies, end of the year, after competitions etc.	Total - £500	Expected outcome: Celebrations are displayed in the school and on the website/Dojo.
