

Jigsaw Jenie's Journey

Changing Me

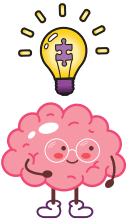

hand

healthy

How do we change as we grow?

I will learn about...

- The different names for parts of my body
- Respecting my body
- Healthier food choices
- Growing up
- How I change as I get older
- Going to school

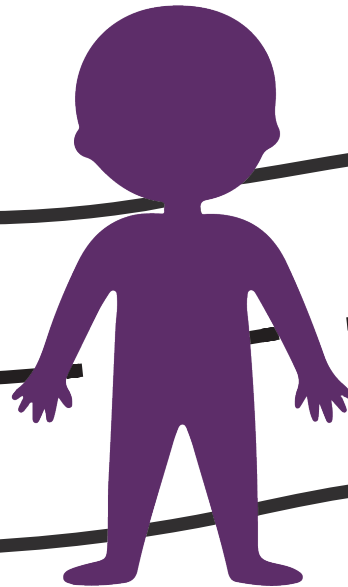

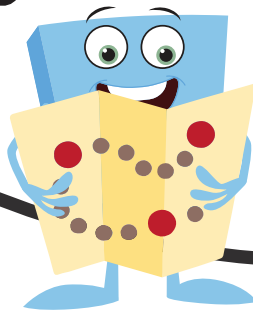

child

ear

grow

chest

head

nose

What can you see?

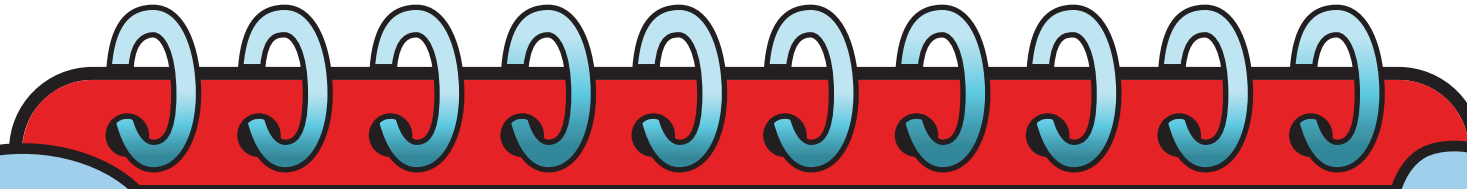

eye

foot

arm

leg

Jigsaw Jenie's Journey

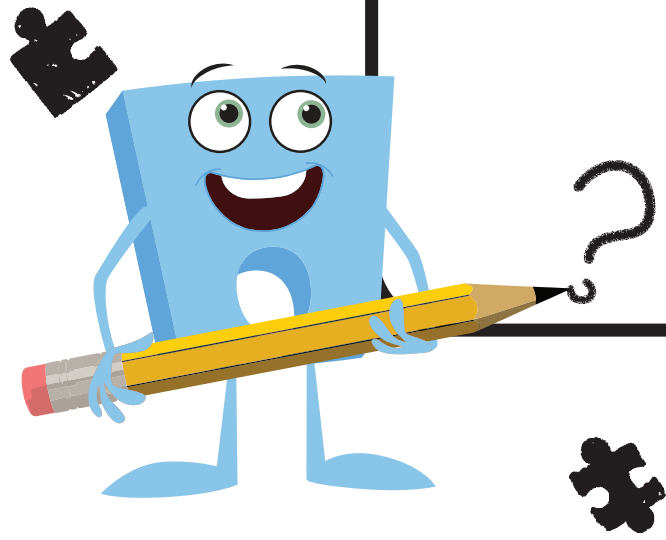

Can you explain what different parts of your body do? How do they help you to do things? i.e. nose helps you smell

Our Class Thinking Pad

What have I learnt in this puzzle that helps me to understand how we change as we grow?

How have you changed?

What can you do now, that you couldn't when you were a baby?

Changing Me
